Brief Description of the Event

Department of Information Technology & Communication, Government of Rajasthan has organized and celebrated 3rd edition of Digifest in the city of Bikaner. This 3-days Carnival of technology has seen the incredible participation of over 20 thousand people across the country. The Government of Rajasthan has organized various competitions, workshops, sessions and IT/Startup Expo in one big basket. Key highlights of the event are as follows:

TecRush- The 3-day mega IT carnival was kicked off with a unique technology run - TecRush. This unique run, play and win concept was first organized during the Rajasthan IT Day & DigiFest, 2018. This Fun Run is formulated with the agenda of providing an incredible amalgamation of sports, technology and entertainment, all at one destination for state's residents. TecRush in addition to the run, gave opportunities to young, old, women and children to participate in 50+ activities held across 8 Zones, and a chance to win over 5000+ Awards.

Hackathon 5.0 - Hackathon 5.0 was a 24-hour non-stop coding marathon providing an excellent platform to brilliant coders, developers & designers to derive innovative solutions and take-home prizes worth Rs. 32.5 Lacs along with an exclusive opportunity to work with Government of Rajasthan.

Green-a-Thon - The 24-hour coding competition brought forward green ideas, envisaged to make the world more sustainable. Participants are offered a platform to showcase their ingenious solutions related to sustainable energy as well as environmental issues.

e-Mitra/ITGK Hackathon - To leverage the use of e-Mitra and taking it to another level with the contribution of society, Department of IT&C, Rajasthan organized e-Mitra Hackathon. This 6-hour activity encouraged the participation of e-Mitra kiosk owners to pitch their innovative ideas on how to enhance and simplify the usage of e-Mitra services using electronic media. The categories for submitting and showcasing the ideas included e-Service Delivery, IEC using Electronic Media and Banking Facility.

EduHack - The Teachers Hackathon - EduHack was a 6-hour Hackathon which aimed at giving a unique platform to teachers, professors, lecturers and educationists of our state wherein they can create path-breaking solutions to improve our education system.

Rajasthan Job Fair - To promote employment & encourage youth to 'start a new chapter of their career' Department of IT and Communications, Rajasthan organized a Job Fair at the Rajasthan Digifest, Bikaner. Spread over two days, this mega job event witnessed

130+ companies from across various sectors such as information technology, banking, retail, manufacturing and pharma under one roof.

Startup Expo - Government of Rajasthan organized various state-of-the-art exhibitions to take the audiences into a universe full of new experiences, cutting-edge technology and latest scientific inventions. The exhibition was a technology exposition and destination for tech wizards, students and learners across the nation.

Investor Pitch - More than 30 Startups has showcased their ideas at the Startup Expo. Multiple investor sessions where startups were able to pitch for investments, network and meet mentors.

Mentorship Programs - There were other curated sessions with startups, showcasing the sector overview of areas such as IoT & healthcare.

Startup Fest: During Bikaner Digifest, multiple brainstorming and knowledge-sharing sessions have been organized under the umbrella of Startup Fest.
