Brief Description of the Event

The IndUS Entrepreneurs (TiE), in collaboration with iStart Rajasthan, organized a speaker series and investor pitching session on 26April 2019 at Radisson Green. The speaker Dr. Apoorv Sharma is the Co-founder & President of Venture Catalysts – Asia’s first integrated incubator. Venture Catalysts is India’s top incubator for startups with 4000+ members & investors, spread across 11 cities in 3 countries – India, Hong Kong & Qatar. He conducted a 30 minutes awareness session about the ‘Venture Catalysts’, wherein he gave the introduction about the company and how they have created the eco-system enablers community including angel investors, micro VC firms, consultants, legal and financial advisors and many more. An investor pitch session was organized afterwards, wherein 3 startups registered under the iStart Rajasthan program participated and pitched in front of the investors and discussed about their projects for about 15 minutes each including the Q&A rounds. The startups got the opportunity to meet with many investors and have one-on-one discussion with them about their product and the various parameters they consider for the investments.
