

# Event Report

<b>Name of the Event</b>	Rajasthan Rural Energy Startup Summit
<b>Date(s)</b>	15 June 2019
<b>Time</b>	10:00 – 17:00 hours
<b>Venue</b>	Hotel Hilton, Jaipur
<b>Agenda</b>	Discuss and deliberate on the finest practices and challenges of rural India's access to clean energy and possible solutions

## Brief Description of the Event

The summit was conducted as a culmination of a three month Rural Energy Accelerator program wherein five startups were mentored and their operational as well as financial plans were developed. The summit was conducted by Startup Oasis and CIIE - IIM Ahmedabad in partnership with Department of Science and Technology - Government of Rajasthan, iStart Rajasthan, Bask Research Foundation and AIC-JKLU Foundation and offered key stakeholders of the energy domain a unique platform to discuss and conduct deliberations on the finest practices being followed and the challenges being faced in ensuring that rural India has access to clean energy and the steps that need to be undertaken to formulate an effective ecosystem that ensures last-mile distribution and harnessing of clean energy solutions through the startup fraternity. It witnessed participation of top decision makers from Government, academia and the corporate world and offered a platform to startups for showcasing innovations on energy, meeting and deliberating with policymakers, networking and learning and sharing the best practices and industry needs.
