## Background

Rajasthan is the home for entrepreneurs and innovative thinkers. Millions of young minds with new ideas, confidence of investors and support from the government are ready to take ahead the startup drive. Leveraging this quality of the business-brains of the state, the State Government has put forward several initiatives for the Start-ups.

One of these is the iStart platform, “**[istart.rajasthan.gov.in](http://istart.rajasthan.gov.in)**”, the one-of-its-kind end to end platform to foster innovation, guidance and facilitate investment for start-ups of the State, providing one-stop solution to StartUps, Incubators, and VCs for ease of doing business, help discover each other, help startups improve their chances of success through mock pitching sessions, workshops, and full-time mentors in the State’s incubator, iStart Nest. Services provided under the iStart platform:

- A one stop solution for StartUps, Incubators and VCs for ease of doing business and accessing all benefits and offers by Government of Rajasthan
- Help StartUps to be discovered by relevant stakeholders
- Connect with investors, accelerators and incubators
- Helping investors, accelerators and incubators discover curated, high-potential startups
- Programs to help startups improve their chances of success
- Content, workshops and resources to help entrepreneurs

## TieCon Delhi 2017

TiE is a non-profit, global community welcoming entrepreneurs from all over the world. TiE was founded in 1992 by a group of successful entrepreneurs and is one of the world's largest entrepreneurial organization. There are currently 11,000 members, including over 2,500 charter members in 60 chapters across 17 countries. TiE's mission is to foster entrepreneurship globally through mentoring, networking, and education. The foremost and most widely known event that TiE hosts is TiEcon, which is the largest professional and networking conference for entrepreneurs.

Delhi Chapter is among the largest and most vibrant across the vast TiE network. In the last 12 years, it has emerged as the forum of choice for startups, serial entrepreneurs, VC and angel investors, policy makers and academia. At the heart of the entrepreneurial ecosystem, TiE Delhi plays the role of an ecosystem builder by bringing in multiple stakeholders and values to align with the common goal to foster entrepreneurship. TiEcon Delhi attracted more than 1500 participants last year.

TiECON Delhi 2017 was a two day mega event focusing on bringing out disruptive business models, translating thoughts into action, and celebrating success and failure at

each step of entrepreneurship. The event was spread across 2 days from December 15-16, 2017 and was attended by several startups, serial entrepreneurs, VC and angel investors, policy makers – National and State and academia.

## Participation of Rajasthan

In the meeting held on under chairmanship of Principal Secretary, Department of IT & Communications, it was decided that Rajasthan will participate as '**Partner State/ Sponsor State**' in the event. As a partner state/ sponsor state, a 12 member delegation from Department of IT, Government of Rajasthan led by Mr Ravindra Shukla (MD RKCL), Smt Deepshikha Saxena (Joint Secretary DoIT), Mr Manu Shukla (Program Officer). (A list of members of the delegation is at Annexure B).

Rajasthan showcased its iStart platform through a 18 sq. mtrs. Pavilion. Government of Rajasthan facilitated the participation of 50 participants from among the startups registered with iStart providing them the opportunity to showcase their products during the 2 daylong event along with a waiver of registration fee. An email was sent seeking nominations from all startups registered on the iStart platform. 37 nominations from 30 startups were received as a response to the email. From the 30 startups, a total of 24 startups participated in the event. The list of startups along with their participation details is at Annexure

C).

TieCon with active help from DoIT set up an exclusive stall in the Rajasthan Pavilion showcasing iStart platform and other initiatives of Govt. of Rajasthan and startups. This has been well displayed through Videos, Booklets and other Publications.

Rajasthan pavilion was one of the most visited pavilion during the entire event. The delegation and startups witnessed heavy interest from various participants during the entire event. More than 30 B2G meetings were conducted with prominent players in the startup space, one to one mentoring sessions took place for the startups and over 20 startups made

their pitches to VCs. The pitches witnessed interest from several investors and industry players in the products showcased by startups. In addition, startups also conducted more than 150 B2B meetings. A detailed list of B2G meetings, mentoring sessions and startup B2B meetings is provided at Annexure D.

Some photographs of the Rajasthan pavilion are:
