

Government of Rajasthan

Department of Information Technology and Communication

F. No. F15(14)/DoIT/Startup/18 /MC-33291

Date: 8/11/19

NOTIFICATION

In order to promote startup ecosystem in Rajasthan and to generate better entrepreneurship / sub-entrepreneurship / employment opportunities through such startups, especially promoting women entrepreneurship, green entrepreneurship and niche Technologies, the State Government of Rajasthan has implemented iStart-Rajasthan Startup Action Agenda and Rajasthan Startup Policy 2015 since October 20, 2015.

The Department of Information Technology & Communication ('DoIT&C'), Government of Rajasthan is the nodal department for startup initiatives in the state of Rajasthan with the The Department of Information Technology & Communication is led by Hon'ble Chief Minister of Rajasthan and is governed by the Principal Secretary, Department of Information Technology & Communication, who is the nodal authority and single point owner of driving startup initiatives in the state. The program is further strengthened by Government of Rajasthan's Startup Council and State Level Implementation Committee ('SLIC') for startup ecosystem which include experts from government, industry, academia and investors. Both Startup Council and SLIC have been notified by the Hon'ble Chief Minister of the State.

Given the state government's consistent focus on fostering startup ecosystem in the state, DoIT&C not only has one officer but rather a complete work-group of senior gazette officers for startup program. Under the overall supervision and guidance of the Principal Secretary and administration of Commissioner & Special Secretary of the DoIT&C, the work-group is led by Technical Director designate, Joint Director supported by designated Officer-in-Charge ('OIC') for startup program and a team of senior officials including Managing Director of Rajasthan Knowledge Corporation Limited, Deputy Director and Programmer from DoIT&C. Smt. Sonia Chaturvedi (Joint Director, iStart) is the nodal officer for the startup program (istart) in the state.

Further, the iStart web portal (www.istart.rajasthan.gov.in) is operational for providing a single point of contact as an end to end solution for start-ups and implementation of provisions under the policy in the State. This web portal provides for a one stop solution for Registration of Startups, Dedicated Mentoring Support, Funding Requirements, Applying for various benefits under the policy and periodic evaluation of the Startup status through the grate matrix.

The Department of Information Technology and Communication under the provisions of Section 3 Sub-Section 3.1(c) of Rajasthan Startup Policy has also setup and is operating iStart NEST incubation facilities at Jaipur, Udaipur and Kota under the provisions of the policy which the Start-ups avail for fulfilling their requirements of office space and structured Mentoring programs for nurturing the development of vibrant Start-up Eco-system. Overall Incubation Facilities' area are in excess of 1,00,000 sq.fts.
